

Building Plot in Agia Fyla, Cyprus

€500,000

 Agia Fyla, Limassol

A 546 square metre building plot in Agia Fyla offers the opportunity to design and build a home to your specifications. The generous size accommodates a substantial residence with room for outdoor living space, parking and ancillary structures. Utilities and services connect nearby, and the location sits within reach of local shops, restaurants and everyday amenities.

Agia Fyla is a residential village in Cyprus. Schools, medical facilities and food shopping are available locally, and residents enjoy access to the island's beaches and countryside for recreation.
