

521 m² Building Plot in Agia Fyla

€500,000

 Agia Fyla, Limassol

This 521 square metre building plot in Agia Fyla offers a substantial canvas for development. The land is positioned close to local amenities and services, making it an attractive option for residential construction.

The plot's size provides flexibility in design and layout, accommodating various building configurations. Its location within Agia Fyla places it near everyday facilities and conveniences.

Agia Fyla is a residential area in Cyprus with access to shops, restaurants, and services typical of an established community. The setting offers the practical infrastructure a resident would use daily.

Contact Purple International Real Estate to discuss the development potential of this plot and arrange a site visit.
