2-Bedroom Townhouse in Tala with Sea View and Mountain view

€1,200 /month

 Tala, Paphos

Two bedrooms and a mountain and sea view distinguish this 100-square-meter townhouse available for rent in Tala. The main bedroom opens onto the living area, with a second bedroom completing the sleeping accommodation. The layout flows naturally from the entrance through the shared spaces.

Outdoor space captures the views: a terrace runs along the front of the property, positioned to catch both the sea and the mountains visible from Tala's elevation. Storage and parking details will be confirmed at viewing.
