3-Bedroom House in Central Larnaca

€280,000

Chrysopolitissa, Larnaca

Providing 100 m^2 of internal living space, this house is located in the sought-after Chrysopolitissa area of Larnaca. Built in 1960, it enjoys a central yet quiet residential location, with the beach approximately a 15-minute walk away.

The property comprises three bedrooms arranged alongside the main living areas, offering a practical layout suitable for comfortable everyday living.

This property presents an excellent opportunity either as a permanent residence or holiday home, while also offering significant development potential. Situated within the Πα5 Planning Zone, the plot benefits from a 210% building
