#24611

Modern Zakaki Penthouse with Roof Garden

€415,000 +VAT

Zakaki, Limassol

Offering an elevated modern lifestyle in Zakaki, this off-plan top-floor penthouse delivers 79 m2 of thoughtfully designed internal space, scheduled for completion in 2028. Accessed smoothly via elevator, the residence pairs contemporary architecture with the highest standards of an Energy Efficiency A rating.

The light-filled interior centers around an open-plan layout connecting effortless living and dining spaces, with an optional furnished package available to tailor the home to your personal aesthetic. Designed for year-round comfort, the property comes complete with a central AC system and underfloor heating throughout. A serene, well-proportioned bedroom and a sleek bathroom provide a restful, private retreat.
